The Innisfail & District Historical Society was formed and incorporated in 1970. It began with its first donation of "The Spruces", by the Gibson Families. It was moved from its original location on the C & E Trail. This log home is the only remaining stopping house between Calgary and Edmonton.

Originally, a small group of local residents, gathered together in hopes of saving the Bank of Commerce building on bankers corner. When this project failed, the same people were concerned about future buildings and knew they had to be better prepared. As a result, of their significant work, we now house and protect over 8000 artefacts, relative to our area.

Membership allows you to have your voice heard when decisions are needed to improve and protect our historical site. The proceeds from your support help maintain our facilities, 2 acre area, permanent collections, for generations to come.

We offer diverse programs, events and educational programs, all year long, and are open to the public from May to September. During these very busy 4 months, we hire staff to maintain our site and promote our events. Many times we extra require help from our membership to fill in the gaps where our staff are unable to fill.

During our off season, we do behind the scenes work. Many of the artefact donations are recorded and new exhibits are created. The buildings and grounds get upgraded or maintained. The events we run in the summer are planned and prepared long before the new season begins.

If you would like to volunteer some time and have a talent we require, we would be happy to work with you. We truly appreciate your ideas that you think would benefit our Village.

To Promote The Preservation,  
Interpretation, and Enjoyment  
of Local History.

## Membership

Put yourself in the picture.  
Become a member.

5139-42 St.
